

Hello Eureka Supporters! Here is an overview of all the happenings across AID INDIA's Progams in August.... read on!

100th Eureka Walk 'n' Talk English training program!

We are so delighted to announce that we conducted the 100th Eureka Walk 'n' Talk English training program on 29th of July 2017. So far we have reached around 670 tutors and will continue to train until we reach 1000 or more volunteers in the upcoming weeks.

93% of the volunteers turned up for the training including all the direct and the volunteers from NGO sector.

Exciting Work Done By Our Interns

Maria and Andrew Sk our interns from McGill University, Canada, during their three months of internship they developed and tested several activities to improve children's listening, comprehension, reading and speaking skills. They created some very cool Eureka News videos with our students portraying themselves as news readers & celebrities, talking about themselves. They helped our teachers make attractive vocabulary cue cards for Environmental Studies, which they have been using effectively with students. They created new activities to improve students' English listening and

comprehension skills and also set up a graded library system with incentives at Eureka School Koovathur and initiated the "Traveling bunny" idea, where students get to take home a soft toy for the weekend and write in their journal about their weekend with the toy.

Teacher's Training Program

District –level teachers training with AEOs, Head Mistress and Teachers of Arni Block Government Schools.

We are happy to announce that two weeks back, a Govt. primary school teachers' training program was organized at Arni.

More than 35 teachers attended the training and all AEEOs were there to encourage these teachers. In spite of Saturday being a holiday, many teachers and higher officials took part in the training program. Many teachers actively participated in the sessions showing keen interest in improving their student's learning levels and willing to learn new techniques.

We have planned to work with these teachers and schools for a year by giving them a series of trainings in a phased manner and visit these schools for class *observations* and evaluation.

MEET TO UNITE

On 19th August, Saturday 2017, Anna University organized an NSS Volunteers meet. Ms. Gowri Subramanian, Project Director, AID INDIA gave a detailed presentation about Eureka Walk 'n' Talk Skill Fest at the meet.

NSS program officers and NSS students from various districts participated in the meeting. There was huge response from volunteers to join our Eureka Walk 'n' Talk movement. Many proposed their willingness to visit the program during the **Skill Fest**
